

## Guaranteed to fly!

Our diamond kites fly higher, launch easier and are more stable than any other kite shape.

They fly from the lightest of winds right up to moderately strong gusts and even fly when wet.

### Great for

- School Picnics
- Anniversaries
- Sports days
- Holiday activities
- Healthy living
- Fathers Day activities
- Multicultural Activities
- Science projects

### Confidence

Building and flying a kite develops dexterity and gives a sense of achievement which builds self confidence.

### Success

All our kites are guaranteed to fly. This brings success to children who have never completed a project themselves before.

### Achievement

Children gain a sense of achievement as they successfully fly the kite they made themselves.
